Subject: RTOC

Hi Brock,

Nice job on today's call. Sorry we didn't have a chance to coordinate. I can't recall when we are due for another quarterly call but it would be good to discuss the RTOC's letter to EPA about ADEC's triennial review and FCR, before EPA drafts a response. I understand from Nancy that she received a copy of that June 18, 2013 letter.
